LFI - Week 1
Personal Course Goals

Five personal goals for this course:
1. Feel less stupid about technical tasks related to fixing privacy issues
2. Organize a strategy on how to approach IT about my concerns related to topics covered in LFI
3. Understand how to connect to my colleagues on these issues in a way that is relatable
4. Stop worrying about getting questions I can't answer during the workshops I will create around the topics of LFI
5. Create proposal to teach said workshops
